News for you

Changes to our fees

We've changed a number of fees since October 1st. Check our [IP Australia website](#) for more information.

Welcome to the new portal

We're building you an improved experience for managing your IP rights. This portal will replace our existing platform (eServices).

[Read More...](#)

ePCT transactions

The online services build is nearly complete and will fully replace eServices from 1 July 2021.

Make a payment

Complete this request to make a payment.

In this request, you can:

- Pay an invitation to pay (ITP);
- Pay a notice of underpayment (NOU);
- Pay an invoice; or
- Make other payments.

Before you continue

Gather any related documents, such as the ITP, NOU or invoice itself. You'll need to quote the details provided, including reference numbers and the amount due.

Filing the wrong request may cause delays or prevent us from processing it. If you're not sure which request you need to file, [call us](#) for assistance.

Finally, make sure your [profile](#) details are up-to-date.
